Hi Jer,

Attached is CARB's NACAA/AAPCA consent form for 2021. EPA must obtain your Agency's annual consent to hold back a portion of your Clean Air Act Section 105 (CAA 105) funds for the NACAA and/or AAPCA assistance agreements, which are awarded by EPA Headquarters.

If your Agency approves FY 2020 CAA 105 funds being directed to NACAA and/or AAPCA to continue environmental projects that support CARB's air pollution control program, please have your Agency Director sign the enclosed signature document, and return a pdf copy with the signature to me by **Wednesday, March 25, 2020**.

If you have any questions or would prefer a formal letter, please let me know.

Thanks!

- Angie
